St Aidan's Church of England Academy

St Aidan's Church of England Academy is a Christian learning environment at the heart of its community. We promote care, respect and responsibility and expect high standards in all aspects of Academy life.

As a Church of England Academy we aim to build a community clearly based on the Christian values of love, forgiveness and reconciliation, integrity and the unique value of each individual. We aim to build self-esteem, model conflict resolution, protect the weak and are committed to justice and compassion. Mutual respect and trust are central within the Academy.

This policy, and its associated procedures and protocols, is based on these key principles.

Charging and Remissions Policy

Policy Principles

St Aidan's Church of England Academy's Governing Body recognises the valuable contribution that the wide range of additional activities, including clubs, out-of-school trips, residential and experiences of other environments, can make towards students' all round educational experience and their personal and social development. (Throughout this policy, the term "parents" means all those having parental responsibility for a child.)

1. Charging

The Governing Body reserves the right to make a charge for activities organised by the Academy in the following circumstances:

- i *School trips and residential in school time:* the board and lodging element of the residential experience and outdoor pursuit courses;
- ii *Activities outside school hours:* the full cost for each student of journeys, trips and overnight stays in the United Kingdom and abroad which take place at weekends and during holidays, which are deemed to be optional extras;
- iii *Materials:* the cost of materials or ingredients for design and technology and food technology, if parents have indicated in advance that they wish to own the final product;
- iv *Acts of vandalism and negligence:* the Governing Body reserves the right to recover part, or the whole cost, of damage to buildings or equipment which is the result of vandalism or negligence by a student;
- v *Examination fees:* if a student has not regularly attended the lessons for a particular examination subject, then the examination fee may be requested.

If, without a medical certificate explaining the reason, a student fails to complete examination requirements for any public examination for which the Academy has paid an entry fee, the Governing Body may seek to recover the fee from the parent.

There may be a charge for examination entry where there is a request from the parent for additional subject entries to be made which are not supported by the Academy.

2 Remissions

Where the parent of a student is in receipt of qualifying state benefit(s), the Governing Body may remit in full the cost of board and lodging for any residential activity that is organised for the student and which takes place within school time. This will also be the case where the residential activity forms part of the syllabus for a public examination.

The Governing Body may remit charges in full or in part to other parents after considering other specific hardship cases. The Governing Body invites parents to apply, in the strictest confidence, for the remission of charges in part or in full. The Principal will authorise remission in consultation with the Chair of Governors.

3 Insurance

Any insurance costs will be included in charges made for trips or activities.

4 Voluntary contributions

Nothing in this policy statement precludes the Governing Body from inviting parents to make voluntary contributions.

5 Monitoring, Evaluation and Review

The Governing Body will review this policy at least every two years and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the Academy.
